To Whom It May Concern:

I am writing this letter to commend For the Children in their efforts to provide school supplies for needy children. We have 750 children on our campus and of these children 90% are served by the Free and Reduced Lunch Program. Needless to say we count on the gifts that your program provides each year, and the impact on our students and families is invaluable.

I want you to know that your continued support of our community is most appreciated and valued.

Sincerely,

A handwritten signature in cursive script that reads "Donna Linn". The signature is written in black ink and is positioned above the printed name and title.
