Dear Jennifer,

On behalf of the RRISD and RRISD Partners In Education Foundation, we would like to extend our sincere thanks to For the Children for participating in our recent Annual School Supplies Drive with the donation of school supplies valued at \$10,510!!!

During the three day event, 394 community volunteers took part in packaging, preparing and or distributing 8,000 bags of basic school supplies. All day Friday, August 7th and two hours on Saturday the 8th, we were blessed to have the opportunity to personally hand out 5,432 bags to students in need. The remaining 2,568 prepared bags were put on pallets by volunteers and were sent to every school in the District so that those students who could not attend the School Supplies event would be able to still receive school supplies on their respective campuses.

As an in-kind donor, your generous contribution to support our program with School Supplies allowed us to spend incremental funds on additional items students needed to start the year off right! We appreciate your support and hope you will consider being a partner again next year for this worthwhile program.

Regards,

Marianne D. Reap
